

PARKING INSTRUCTIONS

- For the safety, organization, and efficiency of our auctions, designated staff members are present to direct all vehicle and trailer traffic. These individuals are there to ensure safe parking, proper traffic flow, and fair access for all customers.
- Parking availability, traffic flow, and designated parking areas may change depending on weather conditions, ground conditions, and auction size. Gravel and handicapped parking spaces are limited and filled on a first-come basis. Please follow all posted signs and the directions of parking attendants to ensure safe and efficient movement throughout the property.
- All customers are expected to follow the directions of parking attendants at all times. Please be respectful, patient, and cooperative when receiving instructions. Failure to follow directions, creating disruptions, or behaving disrespectfully toward staff or other customers will not be tolerated. Individuals who refuse to comply or cause problems may be asked to leave the premises.
- We offer the following parking options:
 - FREE Handicapped Parking — Available in the gravel parking lot for vehicles displaying proper identification. Space is limited.
 - Paid Gravel Lot Parking — \$5 per vehicle or \$10 per vehicle with trailer. Space is limited.
 - FREE Grass Parking — Available in designated areas as directed by parking staff.
- For your convenience, we provide a free shuttle service to assist customers traveling between parking areas and the auction grounds. Our shuttle drivers work hard to help everyone safely and efficiently, and while the service is free of charge, tips are appreciated but not required.

We appreciate your cooperation and thank you for helping make our auctions safe, organized, and enjoyable for all participants.

675 State Route 258, Newcomerstown, OH. 43832
