

Seller's Info

- Register for a Buyer/Seller Number (this is FREE) at the office, during operating hours, or via Phone. The number you are given will be your permanent number (for both Produce and Consignment Auctions). If any information, such as address or phone number, changes after registering, please notify us to update.

- Fill out a contract with your Buyer/Seller Number, Name, Address, Phone Number, and the product(s) you are selling. All New Items must be marked as such on the contract for proper commission rate to apply. Sign and date at the bottom. We will have someone available to assist with this as items are unloaded. It is the seller's responsibility to be sure that all their items are listed on the contract before signing. Anything not on a contract will not be paid for. If you have any issues, questions, or concerns: Please contact Adam Spencer at (740)-498-1090.
- All Equine and Livestock should be consigned, with a contract filled out and turned in BEFORE Saturday (Even though they cannot be dropped off until Saturday morning).
